her heart...her world...His purpose

The girls in your church and those whom you hope to reach are an integral part of the church of tomorrow. From academic demands to peer pressure to other social trends, it is becoming more and more of a challenge to present a down-to-earth, Bible-based approach to learning as we guide them in their journey to womanhood. But what an exciting opportunity!

As a leader, you will present activities and lessons that show girls a better, Christ-centered way to live. This truth is in stark contrast to a self-centered worldview where scantily clad tween and teen girl idols' lives tell a different story. We are pleased to partner with you on this journey to help girls understand that God wants to work in and through them to complete His purpose for their lives.

Thank you for your commitment to the *Girls Ministries* discipleship program. May you leave a legacy of love and faithfulness which will enable girls of all ages to become strong, healthy, and confident young women of purpose!

Investing in the next generation!

GIRLS MINISTRIES

The *Girls Ministries* church-based discipleship program has a legacy of godly women coming alongside girls, guiding them on a path to become mature and godly women. Our goal is simple: To see every girl moving toward a deep relationship with Jesus Christ, and to realize her importance and potential in the kingdom of God.

What Makes Girls Ministries Different?

The *Girls Ministries* discipleship program is the premier program for preschool through high school girls in the world. No other girls ministry program has our variety of activities, focused discipleship track, or a 60-plus-year proven track record of helping girls become confident, godly women who are leaders in the church, home, and world.

Why Gender Specific?

Research shows girls learn more quickly and deeply when they are taught by a role model. Girls need a real-life example. When a girl understands what it means to be a godly woman, she aspires to the design that God intended. A single-gender classroom has many benefits, but the greatest of these is for a girl to feel safe and secure in her discovery of who God intended her to be.

Girls Clubs Are Made For:

- Midweek
- Sunday School or small group
- After school
- Outreach, and more

Go to ministry4girls.com to view additional format options.

Join the Club

If you're looking for a girls ministry that seamlessly weaves fun and biblical training together, Girls Clubs are for you! Your girls will get:

- Adventures, activities, and games that show them how discovering God's Word is fun!
- Lessons in valuable life skills from sportsmanship and integrity, to cooking and outreach.
- One-on-one help in choosing actions, attitudes, and behaviors that please God.

The Bottom Line: Relationships

Girls encounter difficult situations as they grow up. By intentionally fostering relationships between girls and leaders through Girls Clubs, you can create a safe environment for girls to discuss issues they face and get godly counsel. Most importantly, Girls Clubs show each girl that God loves her and wants a relationship with her.

Girls Clubs Fast Facts:

- Age-level clubs offer a variety of units, so leaders can choose which ones best fit their girls' interests and needs.
- Girls Clubs are flexible. A closer look at today's culture confirms the need to offer a nonachievement option for utilizing the curriculum. If the traditional methodology of the curriculum is not feasible in your church, the material can be used solely as a discipleship tool.
- Units can be completed in as few as four weeks, which means visitors can easily follow along with other girls.
- Girls have the chance to learn 242 Scriptures.
- In the third- to fifth-grade levels, girls begin a regular Bible reading routine and read the entire New Testament.
- In the Teen Girl Ministries level (middle and high school), girls read the entire Bible.

It helps to do God's work in these beautiful teenagers that I have the pleasure of teaching because I truly understand. I love my Girls Only girls even though some of them are taller than me!"

Building a Bright Future

JANGDEA

COINS FOR KIDS 2016

Kids spend a lot of time in classrooms, learning so they can discover what they love and move toward a bright future. But what if your classroom had two, three, or even five times as many kids? Overcrowded schools are a huge problem in places like Senegal, a little country in West Africa.

That's where you come in. **In 2016, the Coins for Kids project Jangdea is helping to build a brand-new school in Senegal!** With this new facility, the kids in that community will have lots of room to learn and grow. Best of all, the Christian teachers at the new school are starting a church. With the new church, the whole community can learn all about God's love and the amazing future He has for them.

How can you help kids and families in Senegal? Schools built by missionaries can run on their own in a few years. But these schools are expensive to build. When you give to *Coins for Kids*, the new school gives kids a great education and a place to have church with their families. If we all work together, we can help them build a bright future!
