## Extravagant

Living Out Your Response to God's Outrageous Love

*Bryan Jarrett*

God is lavishly, excessively, outrageously loving in every iota of His infinite being. God is—in a word—extravagant. It's His nature.

Throughout the Scriptures, we see that lives of extravagant devotion and surrender to Him captured the heart of God. And they still do! Experience the extravagant cycle for yourself. Recognize how much He loves you. Offer Him your devotion and whatever resources of time, talents, and treasure you have, so He can bless and multiply them.

When you do the simple deed of giving it to Him, He'll work miracles and touch others through you in a way that will make you eager to see where the cycle takes you next.

### Audience:

Believers who are seeking a deeper understanding of God's love.

### AUTHOR

**Bryan Jarrett** serves as lead pastor of Northplace Church in Sachse, Texas, which is committed to being a laboratory that helps people discover and implement New Testament Christianity. He is an international conference speaker who travels extensively in global missions and compassion work. He and his wife, Haley, live in the North Dallas area with their three children.
