

Discipleship curriculum that anchors your church in the Bible

Free resources for preschool, kids, youth, and adults

“ As a pastor, I implemented it in a school
in Chile. It has been a great blessing and
helped the children greatly to know the Word. **”**

Crafting curriculum for all ages to deepen faith

Why Bible Engagement Project?

Get all ages on the same page

Each age level follows the same scope and sequence so everyone is learning the same thing at the same time.

Intentionally disciple your church

Each curriculum in the library works together and builds on each other, providing you with an intentional discipleship strategy for all ages.

Equip families to lead faith conversations at home

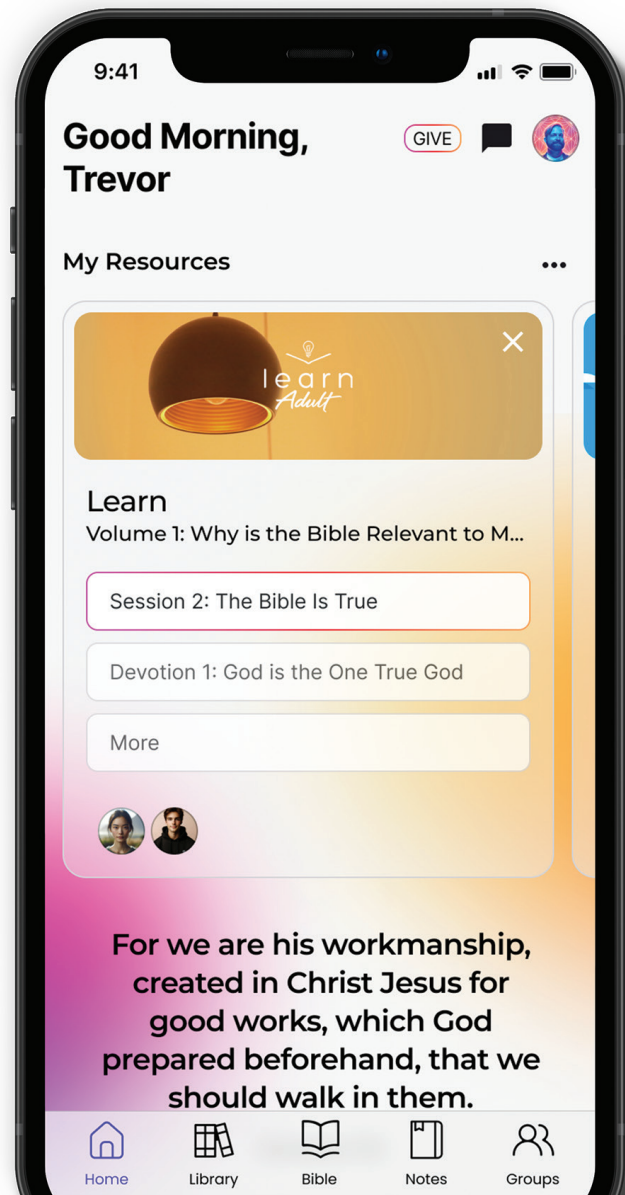

Included Family Devotions align with the kids curriculum and equip families to have an active role in their kids faith journey.

What leaders love about Bible Engagement Project

" It's made preparation and study a breeze without sacrificing content nor engagement. **"**
- Aaron Schappell, Pennsylvania

" Bible Engagement Project has been a pivotal resource in shaping our week-to-week discipleship ministry for students **"**
- Sarah Buchanan, Michigan

" I adapt it to fit the needs of young adults with cognitive delays, autism & emotional issues. We've had 2 of our students come to salvation and were able to be baptized. **"**
- Charlene Forbes, Texas

Youth

Resources that guide students to explore and own their faith

Students thrive when they can discover things for themselves, so the Youth small group resources are designed to show them how to engage with Scripture on their own.

Adult

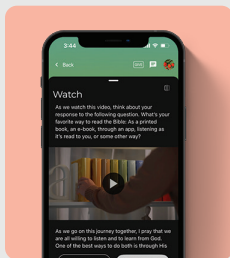

Resources that build communities rooted in the Bible

With the Adult small group resources, your group will become a dynamic community, equipped to dive into the Bible and apply its truths to everyday life.

Small group resources include:

Scripted group sessions

Discussion focused on what the Bible says

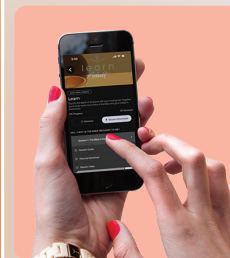

Personal Devotions to be used throughout the week

An engaging video for each session

Ability to download and print content
