WHAT IS ROYAL RANGERS?

Think of us as an activity-based, small group church ministry for boys and young men in grades K-12. Our mission is to help you evangelize, equip, and empower the next generation of Christlike men and create lifelong servant leaders. We do this in a highly relational, interactive, and fun environment. After all, serving God is an adventure!

CREATE YOUR PROGRAM TO FIT YOUR CHURCH

Now that various elements of the program are customizable, we can help you create what you need to effectively reach the boys of your church and community. Lessons use a hands-on, interactive learning style and feature an intentional discipleship journey based on boys' unique needs and interests. For more information, contact us at rangers@ag.org.

EOUIP YOUR MEN TO BE GODLY MENTORS

Men want to make a difference but don't always know how. We provide men with the tools and training to model Christlike manhood. Men grow and engage spiritually as they mentor boys on a Bible-based, Spiritempowered, and mission-focused journey to maturity in the faith.

Royal Rangers is so much more than a program; it is a ministry that molds men and boys into what our churches and culture need—active followers of Christ!

CURRICULUM

PRINT COMPONENTS

Printed curriculum items include the Royal Rangers Leader Manual and the boys' handbooks for Ranger Kids, Discovery Rangers, Adventure Rangers, and Expedition Rangers. These books serve as core reference material for all aspects of the Royal Rangers program and are integral components of the leadership and skills development process.

A Guy's Journey series of books also serves key roles in the program. A Guy's Journey to Manhood describes the process by which God develops boys into powerful men of God. It explains how God takes them on an adventure, shapes their character, and equips them for a unique task. This book describes the Royal Rangers core message and is used by leaders and boys at various points in the program.

A Guy's Journey to Servant Leadership can be used when teaching the leadership merits and is also a valuable reference when teaching general leadership principles. Leadership distinctives from all the leadership merits are included in this book for ease of reference, while the leader's teaching materials are in TRaCclub.
